Councillor McCullough Highly Criticizes Hastings County Board of Education

At Monday evenings council session Mr. J. L. Gunning, Deseronto's representative on the Hastings Board of Education was present to answer any questions directed to him concerning the area educational systems. Councillor Dorothy McCullough, who is also a teacher at the local Public School, opened the question period by asking Mr. Gunning what influence the directors and superintendents had over the area representatives to which the answer was "very little". At this time, Mrs. McCullough stated that she felt that "There was a lot of house cleaning to be done on the board". She also stated that it was ridiculous the way three or four consultants would come to the school for half a day and all they would do is sit around talking and drinking coffee instead of showing the teachers how they would like the school to be operated.

Councillor Layfield said he felt that if the school boundaries were changed so that Deseronto was in the L. & A. area, costs would be reduced considerably. Mr. Gunning agreed that this would likely cut costs considerably.

Another point of interest to which Councillor McCullough had strong objections was that two or three teachers are or REQUIRES asked to go to Belleville for instruction at which time the class is left under the supervision of a couple of Grade 8 students for the half day. In her opinion, it is a waste of time attending these meetings. In reference to the inspectors on the board she stated, quote, "If they all dropped dead the school would be run better".

After a lengthy discussion as to the salaries being paid to the top men on the board, Reeve Lyons asked Mr. Gunning if he did not feel that the consultants hired by the board would not be kept a little busier showing the teachers how they expected the school to be operated rather than spending a lot of time talking and drinking coffee. Mr. Gunning agreed that he felt that more actual instruction should be given.

On the same question, Mrs. McCullough informed council that when the teachers do ask questions, they are told in so many words, that it is their problem.

Other problems such as the transportation costs and the shortage of needed supplies were discussed to some length before the session ended.

Deseronto Resident Dies In Fire

Careless smoking has tentatively been blamed as the cause of a fire in a Toronto hotel room, which claimed the life of a Deseronto resident.

Mary Silver, 24 year old daughter of Mr. & Mrs. Jess Silver, 138 Green Street, Deseronto, died early Tuesday morning in a fire in her tenth floor hotel room in downtown Toronto.

Deseronto Anglican Parish Extended

The Anglican Parish of Deseronto has been extended to include St. John's Church in Point Anne and Holy Trinity Church, Shannonville. These two churches have been without a minister for quite some time. Mr. Jack Fletcher, a lay reader from Belleville has been conducting the services for the past year, and will continue to assist Rev. John Neal, the minister of the Deseronto Parish. Rev. Neal came to St. Mark's in October.

The Bishop of Ontario made the appointment on February 1st.

J.C. REYNOLDS RESIGNS AS CLERK

At Monday night's council session, the Town Clerk, Mr. Joseph C. Reynolds handed in his resignation to take effect May 1st, 1970. His resignation was accepted by council with regrets.

Mr. Reynolds has served as Town Clerk for more than twelve years. He was born in the Maritimes and came to Ontario in

1924, involved in the banking business. He was the Bank Manager in Deseronto from 1940-1950, and then acted as manager in Jarvis, Ontario (near Hamilton), until 1956. He then returned to Deseronto to accept the position of clerk.

Mr. & Mrs. Reynolds reside on Main Street. They have two daughters, Mrs. George Chalk, R. R. #6, Napanee and Mrs. Don Armitage, Deseronto.

Mr. Reynolds reports that he is just going to sit back and enjoy his retirement, with no set plans for the future.

CHURCH OF THE REDEEMER DEBT FREE

At the annual congregational meeting of the Presbyterian Church of the Redeemer, the members were delighted to learn that their church is now entirely free of debt.

The congregation of this church consists of fewer than twenty families, and when extensive repairs were needed, the Presbytery denied them assistance and suggested that the church be closed.

However, the members were determined to keep the church going, and managed to raise the money on their own. With it, they completely restored the interior of the church and made

many other needed repairs.

A restoration fund was set up in Centennial Year, and donations plus contributions by the Ladies' Aid, brought in a total of over \$2,000. The following year \$1,000 swelled the fund. A walk-athon last summer resulted in a further addition of \$2,200, and generous donations came in for \$3,500. When the church was reopened and rededicated Nov. 16th, there was a debt of \$1,500 which has since been cleared off mostly through donations.

The annual meeting, which began with a supper, was well attended, with several of the older members present who cannot attend services regularly.

Most of the church officials were re-appointed, with the addition of Mr. Percy Brooks, a new member to the board of managers. Mrs. Albert Walker is chairman of the official board and Mrs. C. F. Dimmell is treasurer. Rev. Robt. C. Jones, Picton, is the minister.

DDT DISPOSAL

As of January 1st, 1970, it is a violation of the Pesticides Act to use DDT. Persons with DDT in their possession must not discard it with the regular garbage and under no circumstances should DDT be poured down a drain or flushed down toilets.

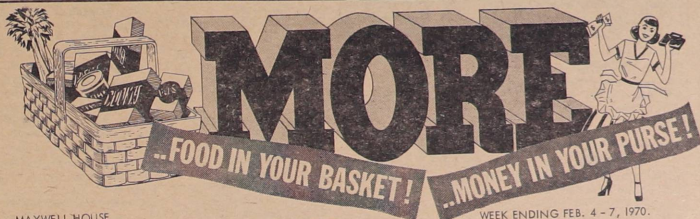

DDT may be brought to the following places during the period February 9th to February 20th, 1970:

- Belleville and area - Belleville Fire Stations,
9:00 a.m. to 9:00 p.m.
- Picton and area - Health Unit Office,
18 Elizabeth St., Picton,
9:00 a.m. to 12:00 noon, and
1:00 p.m. to 4:30 p.m.
- Deseronto - Basement of Town Hall,
Deseronto, Ontario,
9:00 a.m. to 12:00 noon, and
1:00 p.m. to 5:00 p.m.

The insecticide must be packed so as not to cause spillage. The container should be clearly marked denoting that it contains DDT. Check your supply and bring in any DDT you have as soon as possible.

NO DDT WILL BE ACCEPTED AFTER FEBRUARY 20th, 1970.

Education Week Set For March

Education Week this year is scheduled for the first week in March, and plans for its observance are already under way.

Heading up the Education Week organization this year is George Patton, principal of Stirling Senior School. He replaces B. D. Summers, chairman for the last two years.

Frank Tate, superintendent of school area 3, continues as secretary. Gary Stevenson, principal of Bancroft public school was elected vice-chairman last night, and Claire Rupnow of Sir John A. Macdonald School in Belleville is publicity chairman.

At a meeting at Sir Winston Churchill School, the representatives from county schools reviewed the rules for choosing the winner of the Sir Mackenzie Bowell award for meritorious service to education in Hastings county.

This is the fourth year the award will be presented to some-

one active in education during the previous year.

Former winners of the award are E. A. Orr and L. A. Kells of Belleville and Guy Bentley of North Hastings.

The award will again be presented at the opening Education Week breakfast at the Sun Valley Motor Inn, scheduled this year at 8:00 a.m. March 2nd.

The candidates for the award are nominated by educational groups in the county, including the public and separate school board, teachers federations, Loyalist and Albert College, Edith Cavell School of Nursing, Ontario Business College, Ontario School for the Deaf, the Home and School Council and the parents' association of William R. Kirk School.

"It is felt that the people in education are having their say by nominating candidates," noted Robert Harwood, superintendent of southeast school area.

The person chosen to receive the award is picked by the judges on the basis of merit. No tally is made of the number of ballot cast in his favor.

Frank Murray, general manager of radio station CJBQ will again act as chief judge, assisted by John Wilkes, Hastings County Warden, and former winner E. A. Orr.

No nominations will be received after February 20th.

The Education Week committee

will ask the public and separate school boards for a total of \$300 to cover the publicity budget for the week.

Events planned for the week include an address, March 2nd, by Walter Pitman, MPP for Peterborough and education critic for the NDP, and a church service, March 8th, at St. Margaret's - on-the-Hill. The service will be conducted entirely by administrators, teachers and students of the Hastings county board of education.

Trainees Start New Project

Now that Christmas is over, the trainees at the Lennox and Addington County Rehabilitation Centre Industries are focusing their attention on entirely different projects.

Until the Christmas vacation, they were kept extremely busy making Christmas novelties and decorations, with a backlog of orders to fill after their successful sale.

Now the trainees are finishing and upholstering furniture. Their instructor, Mr. Pollard is experienced in both arts, and so is a valuable teacher. Many inquiries have been made by Napanee and area residents who have such work to be done.

They are also interested in making stuffed animals and some of the girls are interested in embroidering cushion tops.

The workshop door is always open for visitors.

Local & Personals

Mrs. Kay Hood is a patient in Belleville General Hospital. She underwent surgery last Friday and is progressing satisfactorily.

Mr. & Mrs. C. M. Luffman are now recuperating at the home of their daughter, Mrs. C. A. Brundige, in Ottawa. On their Doctor's orders they will be staying until February 28th, due to the need of care and a change which was not available due to the illness of their other daughter Mrs. M. Ryan. The address in Ottawa is 21 Bayshore Dr., Apt. 9, Ottawa 14, Ontario.

READ C.W.L.

The January meeting of the Read C.W.L. was held at St. Mary's school, Tuesday evening following Mass. The President, Mrs. Wm. Buckley, opened the meeting with the league prayer.

The Convenors of the various committee's gave their monthly reports. A letter was received from Rev. James Farrell, S. J. acknowledging the receipt of used clothing that was sent to the Jesuit missionary. They are putting these clothes to good use in the missions in Northern Ontario.

Mrs. Josephine Lally introduced the guest speaker, Mr. Thomas Lally, a well-known and respected lawyer in Belleville. He spoke on some areas of legal matters that interested his listeners. His talk was both interesting and educational. He then answered questions from the 'Question Box'. Mrs. Veronica Harrigan thanked the speaker.

The President Mrs. William

Buckley brought the meeting to a close with the league prayer. A lovely lunch was served.

The February meeting will contain a panel discussion on Education consisting of a team of teen-agers and moderated by Rev. J. Gillary.

January 18th to 24th, 1970.

Belleville Detachment.

Deseronto Carnival Provided Fun For All

Deseronto's first winter carnival, "The Spirit of Winter '70", was an unqualified success, with three days of fun and frolic drawing many spectators and participants to join in the various activities.

Things got off to a good start at the Pre-Opening Party for Senior Citizens on Friday afternoon at the Legion Hall. Approximately fifty senior citizens attended the kick-off party and had an enjoyable time singing, playing euchre and bingo, followed by an afternoon tea. Mr. Clarke Rollins, M.L.A., was also present at the party.

Following the Torchlight Parade, Friday evening, the carnival

was officially opened by Mayor J. Sharpe and his official party which included the Snow Queen, Miss Jackie Thompson, and her two princesses, Mrs. Virginia Maracle and Miss Gail Fraser.

A costume contest at the arena followed, and the rink was filled with young and old, all decked out in costumes of every distinction. One young lad who kept taking tumble after tumble on the ice was aptly fitted with a hard hat! Seventeen month old Robin Kimmitt, daughter of Mr. & Mrs. Maurice Kimmitt, Centre St., won a prize as the youngest skater. She was dressed as a Snow Queen, complete with a blonde

wig. Her grandmother, Mrs. Billie Sherman, also won a prize as the oldest person on skates. Many other prizes were awarded in various categories.

The Snow Train Specials provided to be the greatest attraction of the carnival, and a great deal of credit must go to Mr. Don Hubble, and to the Deseronto Trail Blazers Snowmobile Club for their untiring efforts in organizing the free rides. The local Club was assisted by many snowmobile owners from the surrounding area. As many as twenty-nine snowmobiles, many pulling cutters, formed the train, which took hundreds of people on two hour excursions down the Bay and out on the Reserve with stops at Melville Hill's Indian Museum, and also at the Council House where riders were served corn soup, coffee and donuts. Many who missed out on the regular snow train rides were taken on short runs out on the Bay before the carnival ended.

Nine eager fishermen took part in the ice-fishing derby, but were unable to come up with any bites.

Hockey games, and Broom Ball were also very popular sports at the carnival, with Pee Wee, Midget, Old Timers and girls hockey games being enjoyed by participants and spectators alike.

Winners in the various events were as follows:-

Snow shoe race (senior), Steven Darling, Harrowsmith; second, Louis Hird, Deseronto; third, Jack Hamilton, Deseronto.

Snow shoe race (junior), Nancy Darling, Harrowsmith; second, Gordon Darling, Harrowsmith; third, Daryl McMullen, Napanee.

Dog and sled race, "A" event, Louis Hird (Newfoundland dog), with Dennis Jackson of Deseronto as driver.

Dog and sled race, "C" event, Wayne Brant of Deseronto (spaniel dog), with Danny Hill of Deseronto as driver.

Sleigh race, 12 to 16 years of age: Gordon Saunders.

boilers for the Lennox generating station was announced last week by Ontario Hydro.

Price of the contract with Combustion Engineering Superheater Limited of Montreal includes auxiliary equipment, delivery and erection of the units. Lennox station, south east of Napanee, represents Hydro's first use of oil as a heat source to produce steam in the making of electricity.

The \$278 million Lennox station, due to produce first power late in 1974, will have an installed capacity of 2,295,000 kilowatts which is equal to Ontario's total peak demand to 1947.

Each of the boilers will burn 780 barrels of oil per hour at full operation. They will be approximately 150 feet tall, 70 feet wide and 32 feet deep.

Ontario Hydro had previously announced award of \$55 million contract for the station's four turbine-generators to Canadian General Electric Company.

SNOW QUEEN CROWNED

Nineteen year old Jackie Thompson, daughter of Mr. & Mrs. Isiah Thompson, was crowned Snow Queen of the Winter Carnival on Thursday, February 5th. Miss Thompson, who is employed as a hairdresser in Napanee, won over eleven other girls at the Legion Hall, which was packed with spectators.

First runner-up was Mrs. Andrew Maracle (Virginia) who is the daughter of Mr. & Mrs. Henry Klaver, Deseronto. The second runner-up was Miss Gail Fraser, daughter of Mr. and Mrs. Al Fraser.

The judges were three Napanee residents, Dr. Ron MacPherson, Mrs. Marie Knuth and Mrs. Bernice Asselstine. The girls were judged on general appearance, poise and intelligence. They were each required to answer an impromptu question on current topics.

Each contestant appeared in outdoor winter apparel and then in evening dress. The commentator was Mrs. Blanche Dettlor, and the master of ceremonies was Earl Murphy.

Other girls participating were Elaine Sparks, Cathy Hardwick, Fern Tugwood, Norma Fitchett, Ina Brant, Darlene Asselstine, Barb Woodcock, Cathy Brant and Dale Hutchinson.

The Queen was presented with a wardrobe valued at \$100.00.

Miss Jackie Thompson was crowned as Snow Queen of the Deseronto Winter Carnival. Shown with her are the first runner-up, Mrs. Virginia Maracle, left, and the second runner up, Miss Gail Fraser.

ENGAGEMENT

Mr. & Mrs. Herbert Maracle, R. R. # 1, Deseronto, Ontario, announce the engagement of their eldest daughter Sandra Janice Mac to Mr. Clayton Earl Brant of Victor, N. Y., son of Mr. & Mrs. Roy Brant, Deseronto, Ont. Marriage to take place, March 7th, 1970 at Christ Church, Tyndinanga Reserve.

INJURED IN CAR CRASH

Returning to Deseronto from Belleville last Thursday afternoon Mrs. Dorothy McCullough lost control of her car, sending it into a deep ditch.

She is still a patient in Belleville General Hospital, badly bruised and suffering from some broken ribs and slight face injuries.

First on the scene were Stan Marek of Deseronto and Mrs. McCullough's neighbour, Henry Klaver. Mrs. Tom Drummy, who lives nearby called the doctor, ambulance and police.

The accident occurred near the Roman Catholic Church at Marysville.

No estimate has yet been made of the damage to the car.

Sleigh race, 12 years and under: Jody Hird of Deseronto, first, and Allan McMullen of Napanee, second.

Snowmobile races: Class "A", no entries; "B", first, James Hynch of R.R.#7, Napanee; second, Wayne Cassidy of Deseronto and third, Wayne Clifford of R.R.#7, Napanee.

Class "C", first, Claude Hubble of Deseronto; second, Wayne Elmy of Deseronto and third, David Armitage of Deseronto. There were no entries for Class "D".

The cross country race was cancelled due to the poor snow conditions.

Ice and snow sculpture contest: Deseronto Public School sculptures, "The Turtle Family", by Debbie Hearn, Debbie Knapp and Maureen Cassidy. Two other sculptures, "Praying Hands" by the United Church Sunday School and "Sports Car" by David Roebuck of Deseronto, were judged equal. Honourable mention was given to the "Rocket Ship" by Grade 4, "The Sports Car" by Robert Brant (Grade 7), "The Sports Car" by David and Tommy Jackson, the "Dog and Pups" by Grade 5 and the "Dinosaur" by Grade 7. Several pre-schoolers, Rachel Hendry and Tony Gartland both four-year-olds, and the Hodge children were also given honourable mention for their snowmen.

Reeve George Lyons took over the duties of Mayor Sharpe at the closing ceremonies, when the mayor was unable to attend due to illness in the family. Mr. Lee Grills, M.P. for Hastings, and his wife were among the guests on the platform. Al Fraser was the master of ceremonies and helped to present prizes along with the chairmen of the various committees.

A great deal of the credit for the success of "The Spirit of Winter '70" goes to Mr. Ernie Luck who conceived the idea and gave much of his time in co-ordinating the activities. One of the main objectives of the carnival was to promote our town to outsiders, and to provide an opportunity for all our citizens in this area to play together, work together and plan together for the new decade that we have now entered. In these two aspects, Deseronto's first Winter Carnival was a great success and it is hoped that this will be the first of many.

Your Food Dollar

Is the total on the cash register at the food store check-out

usually more than you expected? Home economists, Macdonald Institute, University of Guelph remind you that the total food bill often seems higher because over 20% of the average grocery bill is for the non-food items now available in food stores - toothpaste, paper products, light bulbs, soaps, cosmetics, tobacco products, housewares, even socks and shirts. And don't forget that a large part of the price of food is not for the product itself, but for the costs involved in getting food from farm to table more rapidly, making foods available at all seasons of the year, providing built-in conveniences (TV dinners, etc.), expanding parking facilities at the retail store, and other factors which make possible quicker shopping, less time in the kitchen, and a variety of selection that is among the best in the world.

Annual Meeting of Quinte Pastoral Charge

The annual meeting of the official Board of Quinte Pastoral Charge was held on January 28, in Melrose Church with an attendance of fourteen.

Reports were received from the treasurers and the 1970 budget, which was presented by Gerald Lott, was approved.

Business included the question of continuance of transportation by bus to Melrose Church. A motion was passed by which Melrose congregation will assume the whole cost of operation for 1970.

It was agreed that since use of the church telephone had decreased to the extent that it was no longer a necessity, it will be removed.

Mrs. C. Milligan resigned as caretaker and Mr. Sherry Demille will assume the duties at Melrose for this year.

Mr. Piercy of Deseronto was appointed to send the combined contributions to the missionary and maintenance fund monthly. A committee of three was appointed to look into the matter of insurance on the Shannonville Church property.

Open Heart Operation Is Filmed

A two-hour open-heart operation filmed at Kingston General Hospital is to be shown on television later this month.

Dr. J.O. Parker, a cardiologist and associate professor at Queen's University, said the operation on a 47-year-old Annapolis, Ont., man was videotaped by the university and CKWS television in Kingston.

He said the operation, in

which one of the man's heart valves was replaced, was a success.

Local and Personals

Mr. and Mrs. Howard French, Brant Street, were honoured with a turkey dinner on the occasion of their 33rd Wedding Anniversary at the home of their son and family, Mr. and Mrs. Wilfred French, Trevor and Tammy.

FARM SAFETY MEASURES NEEDED

Farm accidents in Ontario have reached epidemic proportions, but too many farmers disregard the need for farm safety if it means taking time and effort to keep farms danger-free.

With this two-fisted attack on the urgent need for adequate safety measures in agriculture today, Mr. Norman Bell, President of the Canada Safety Council and of the White Motor Company, gained the full attention of delegates to the 12th Annual Farm Safety Conference held recently at the University of Guelph. Mr. Bell delivered the keynote address of the Conference with the theme: "Protect Our Farmers of Tomorrow - Today".

Quoting statistics for 1969, Mr. Bell notes that out of the 11,500 accidental deaths across the country, 200 were caused by dangerous farm machinery alone, while the accidental death rate on the farm is 20% higher than the national average. Four-fifths of all farm accidents involve tractors or overturning machinery. The loss of life, the permanent and crippling disabilities, and the economic setbacks caused through farm accidents continue to increase, yet public apathy takes little notice of the problem.

Because increased mechanization brings with it the increased possibility of danger, it is vital that the farm public start concentrating on protecting their children, who will be the farmers of tomorrow. "Safety as a way of life must begin with the child," said Mr. Bell.

Mr. Bell stressed that children should be kept away from the farm work area and the equipment at all times. Countering arguments that this would prevent a child from learning how the machines worked, Mr. Bell said that proper driving and mechanics courses would do the job far better, and with safety ensured. Children should not be allowed to sit on moving farm vehicles, especially when these are on the highway. Do not allow children to run under wheels when the tractor or machine is idling in the yard, added Mr. Bell.

Parents should set their children a safety example. Where possible, protective frames, roll bars and seat belts should be installed on equipment - and used.

Children should be taught the commonsense basics: no smoking while refuelling; no refuelling of a very hot or running engine, the proper support and use of hydraulic equipment; the value of a shield for the Power Take-Off.

Over 40% of all accidents take place in the home, said Mr. Bell, and noted that farmers were often far from medical aid when trouble struck. Thus home accidents have to be eliminated and nearly always can be by careful thought. Falls can be avoided by stressing their danger to children.

Children, in fact, must be taught to be concerned about safety. Parents and farmers should concern themselves with teaching their children all the dangers, and how to combat them.

Notes of Inspiration

REV. OSCAR SIMPSON

Dr. Wayne Dehoney, former President of the Southern Baptist Convention, had jokingly shared these bits of "Misery" with his fellow pastors:-

"Misery is" ... when the Pastor comes to the church auditorium, glances at the small Sunday night crowd and discovers it is actually Sunday morning!

"Misery is" ... when a deacon asks: "Are we still having prayer meeting on Wednesday night?"

"Misery is" ... when you preach your annual Stewardship sermon and the fellow who attends church once a year comes up after the service and says, "Everytime I come to church you preach on money."

"Misery is" ... when a person you haven't seen in years visits the church and comes through the line at the church door saying, "I'll bet you don't remember me."

As your pastor, let me share some of my feelings on the HAPPINESS SIDE:-

"Happiness is" ... knowing that your members missed you on vacation, prayed for you while you were gone, and greet you affectionately when you return.

"Happiness is" ... seeing New Christians sitting up at the front of the church on Sundays and Wednesdays, drinking in the truth of God!

"Happiness is" ... pastoring a great congregation where the people come together each Lord's

Day expecting great blessings from God.

"Happiness is" ... having people walk up and say: "I want to work somewhere in the church this year. Can you find a place of service for me?"

"Happiness is" ... a finance committee having the problem of what to do with the surplus over the budget needs.

Town Council Holds

On Monday evening, February 16th, Deseronto Town Council held a regular meeting with all members present except Councillor McCullough, who was absent due to illness.

The minutes of the previous meeting were read followed by the correspondences: -

1) David E. Saunders, re: sale of garage. The letter was placed on file.

2) Municipal Affairs, re: enforcement of building by-laws in Town of Deseronto. Councillor Dickinson asked whether used lumber was used and if it was free of dry rot. Building Inspector A. Fraser informed council that the building is to be covered with sheeting when the weather permits or it will be removed.

3) Hisey & Barrington, re: sites for four pumping stations for sewage project. Councillor Brooks moved that the sites be approved.

4) Financial & Commercial Affairs, re: lotteries. The matter was placed on active file.

5) Hastings County Board of Education, re: paying of School Crossing Guards. It is up to the Town to pay any crossing guards.

The regular schedule of accounts was turned over to the Finance Committee for approval and payment.

A finance report for the month of January was given by Reeve Lyons.

Councillor Brooks gave a streets report, and also presented a letter from David E. Saunders offering his garage for sale for the sum of \$11,200 with a down payment of \$6,000 and the balance over a two year period at 9% interest.

A recorded vote was taken on the matter with five for and two against purchasing the garage for the towns use.

A fire and police report was given by Councillor Gordanier.

The problem of all-day parking on the Main Street was brought before council for the second time. It was passed by council that the streets department obtain prices on two-hour parking signs.

Reeve Lyons informed council that the Bayshore Road is slated for repairs in 1972.

New Business --
It was moved by Councillor

Regular Meeting

Gordanier that Richmond Township be notified that their rate for the use of the town dump will be \$1,000 for the year 1970. If they wish to negotiate further the council will meet within reasonable notice.

Councillor Gordanier, Chairman of the Police Committee, presented wage increases for the local department. There is a total increase of \$1,000 for the year 1970, but the yearly budget will remain the same as last year.

After much discussion it was passed by council that advertisements be placed for a Parks Attendant for five months.

Councillor Layfield is to obtain prices on new signs for the town limits.

Council then adjourned.

BISHOP EVANS DIES SUDDENLY

Rt. Rev. Kenneth C. Evans, the Bishop of Ontario, died suddenly in Kingston last Friday. Bishop Evans was in his 67th year and had been the Bishop of Ontario for eighteen years.

The funeral was held on Tuesday, February 17th in Kingston. Several ministers from Deseronto and area attended.

The church bells of Christ Church and All Saints Church on the Tyendinaga Reserve rang in respect of the late Bishop.

JUNIOR HOCKEY ALL-STAR WALK-ATHON

The Junior Hockey All-Stars of Deseronto are having a walk-athon on Saturday, February 28 at 2:00 p.m. to buy hockey jackets for themselves. They are seeking sponsors for the five mile trek to Marysville and back again beginning and finishing at the hockey arena in Deseronto. The ladies arena auxiliary are going to provide hot drinks and a lunch at Marysville for the boys. Mr. Don Yorke, proprietor of the Marysville Hotel has offered the use of his dining room to the ladies auxiliary and the walkers.

The boys are playing exhibition games this year but next year will be in the All-Star Schedule for the area. Their coach, Rev. O. Simpson, will be walking with them.

PANCAKE SUPPER WELL ATTENDED

Despite the rainy weather, the Deseronto United Church men's annual "Shrove Tuesday" pancake supper was well attended, with the men cooking up enough pancakes and sausages to serve approximately 150 people.

The men do most of the work, including the cooking, serving, setting up tables, etc., with their wives bringing scalloped potatoes, meat pies, jellied salads and all varieties of pie to add to the menu.

Rev. John Neal of St. Mark's Anglican Church assisted Rev.

Bill Hendry, Minister of the United Church with the frying of the pancakes and sausages.

Everyone agreed that the food and service were excellent.

TOWN PURCHASES GARAGE

At Monday nights council session, it was decided by council to purchase the garage and adjoining property on the corner of Prince and Thomas Streets, for use as the town shed and for storing the town's equipment.

The garage, which is owned by David Saunders, was purchased at a price of \$11,200 with \$6,000 down and the balance over a period of two years at 9% interest.

Council decided by a recorded vote of five to two in favour of purchasing the garage rather than erecting a new building.

CORRESPONDENT WINS AWARD

Dorothy Cryslar, a correspondent for the Meaford Express, is the 1970 winner of the Ontario Hydro Award of Merit, given annually for excellence in rural news reporting. James A. Blay, Hydro's director of public relations, left, presented the award at the Ontario Weekly Newspapers Association convention in Toronto. As well as covering Beaver Valley for the Express for the last two years, Dorothy Cryslar operates a large apple orchard at Clarksburg for her brother, is secretary of the Beaver Valley Chamber of Commerce and is active in the Georgian Bay Fruit Growers' Association. She's described by her editor, Walter Brebner, right, as a 52-week-a-year correspondent with an original writing style.

Northern Council of Loyalist College Established

Establishment of The Northern Council of Loyalist College to serve the Bancroft Area of North Hastings County was announced today following the February meeting of The College Board of Governors.

The Northern Council of Loyalist is the result of a recommendation from a citizens' committee which has held several meetings in recent months. The group was originally assembled by Rev. H. J. Maloney, who represents the area on the Loyalist Board of Governors.

Board Chairman Frank Rabel, in making the announcement commended Father Maloney; Board of Governors Vice-Chairman John Donelan of Napanee and Council Chairman, M. J. McAlpine of Bancroft for their initiative in bringing the group together and for doing the groundwork which has resulted in creation of the Council. Mr. Rabel outlined the Council's broad guidelines under which it has been established. "They are, to be responsible for the administration, initiation, organization and conduct of educational courses in the Bancroft area." The courses will be developed in consultation with the Council and operated by the Extension Division of The College which is under the direction of H. J. Butterill.

It is expected that a survey of the priority of needs for educational programs directly related to residents of the area will be the first step in bringing the recommendations of the Council into effect. The Loyalist Board of Governors has also approved the engagement of a resident co-ordinator for the Area who will work with the Director of Extension and in close liaison with the Council and The College which serves the four-county Quinte Region from its Belleville campus. "Since the inception of The College, I have been very sympathetic to the special obligat-

ions of The College to North Hastings County," said President J. K. Bradford. "I feel that the novel approach we are initiating may well be the beginning of an adult education method that can be piloted by not only ourselves but by other Colleges of Applied Arts and Technology in centres within their jurisdiction."

School Children Hold Sale

On Friday, February 13th, Mrs. J. Tucker's class and the Special Education class had a white elephant sale. We had candy, toys, drinks, books and many other things. The money we raised was for our foster child in Viet Nam.

Maureen Cassidy, Lori Pringle and Patty Bongard won the jelly bean draw, and David Roebuck won the cake.

This money will give our child many things he needs.

HEART ATTACKS NOT END OF LIFE

The life expectancy for survivors of heart attacks is high enough to justify energetic rehabilitation and job retraining programs, a University of Toronto professor of medicine said recently.

Dr. Alexander D. McKelvey told an Ontario Heart Foundation symposium on heart problems in business and industry that people who recover from heart attacks stand a good chance of resuming normal activities.

He said 75 to 80 per cent of those who have a heart attack live five years or more; one-half live more than 10 years, and one-quarter more than 20 years.

Dr. McKelvey said rehabilitation should begin in the hospital. When the patient returns to work there should be constant communication with his doctor, his foreman, the plant doctor and public health nurse.

Dr. Lloyd A. Wright, western area medical director for Bell Canada, said 24 men and one woman of the company's 38,000 workers died of heart disease in

1968.

He said the company has estimated that death and illness from heart disease has cost Bell about \$5,196,000, directly and indirectly.

Dr. Donald K. Grant, director of medical services of Ontario Hospital, said employers' think twice before hiring applicants who are overweight, sedentary, and who bite their nails, chain smoke or reveal a family history of heart disease.

He said men of muscular body build are predisposed to heart attacks, while tall, skinny men are least likely to get a heart attack. Careful selection of employees is one way industry can reduce the costly loss of key men through heart disease, he said.

Notes of Inspiration

— by —
REV. OSCAR SIMPSON

Dedicated to all Television Fanatics:-

The Television is my shepherd, my spiritual life doth want. It maketh me to sit down and do nothing. It leadeth me beside men of no faith. It restoreth my desire for worldly pleasures. It requireth all of my spare time and keepeth me from doing the will of God, because it presenteth so much foolishness which I must see. It increaseth my knowledge of nonsense and keepeth me from the study of the Word of God. Yes, though I live to a hundred, yet the viewing of my television shall have first place in my life as long as it doth operate, for it is my closest companion. Its sound and its pictures, they comfort me. It presenteth foolishness and folly before me continually and keepeth me from surrendering my whole life unto God. It annoys my mind with seeds of corruption, and fills my head with vanity, which profiteth me nothing; my cup remains empty. Surely, no good thing will come of my life, because I am devoted to my television, which leaveth me no time to serve God acceptably, thus I will dwell in the house of confusion forever.

Marysville C.W.L.

Marysville C.W.L. held the first meeting of the year after Mass, Sunday, February 15. It was well attended. After the reading of the minutes and the treasurers report, thank - you notes were read from the many parishioners that were remembered at Christmas.

It was decided to send \$25.00 to the Recreation Committee to assist them in their work. The council voted to send \$25.00 to the organization for Development and Peace and members were asked to give individual donations of 1% of their yearly personal allowance to the same cause.

The President, Mrs. Don McLaren announced that at our next meeting we will all have an opportunity to hear Mr. Michael Mahoney of the Drug Addiction Centre, Ontario Hospital. Mr. Mahoney is to speak about the use of drugs. Everyone is encouraged to attend this meeting on March 9.

A resolution against the legalization of the sale of marijuana will be sent to the Diocesan Executive from our council before the last of February. We were also urged to write of our objections to our local members of Parliament.

In the future, individuals will be responsible for sending in their subscriptions to the Register; the C.W.L. will not be canvassing as in the past.

It was decided that the President enquire about obtaining an orchestra for dances during April and May. The euchre parties will continue to be held in the hall every second Sunday evening. The next one to be held February

22nd. The next dance will be held March 20th.

Members were asked to take home the remnants to make articles for the fall bazaar, after which the meeting was adjourned.

MAPLE SYRUP OUTPUT DROPS

Maple syrup production in Ontario was down by 28 per cent last year, Quinte district producers were told at Napanee on Friday.

The occasion was the annual meeting of the Quinte Branch of the Ontario Maple Syrup Producers Association in the four counties of Hastings, Prince Edward, Lennox and Addington and Northumberland. The speaker was Walter Humphries, of Barrie, secretary of the provincial body.

John H. Kerr, R. R. #2, Picton, president-elect of the Quinte Branch agreed there would be a keen demand for pure maple products in this area again this year with prices holding at 1969 levels or slightly higher.

The meeting agreed that service clubs bringing maple products into the area for house to

Young Orators Try For Finals

Hastings County's most skillful young orators are preparing to charm away any notion that they should be seen and not heard.

Four finalists chosen from elementary schools, public and separate, will compete in the County Finals of a Public Speaking Contest to be held at the Stirling Intermediate School on Friday, February 20th, at 10:30 a.m.

R. D. Horwood, Area Superintendent, and contest convener, said each of the contestants has won in his school and area contests prior to entering this competition.

The champion (elementary prepared impromptu) will qualify to enter the Zone Finals in Belleville on March 7th.

Mr. Horwood extends a cordial invitation to all who are interested in public speaking to attend the contest commencing at 10:30 a.m. on Friday, February 20th.

The contest is co-sponsored by the Ontario Public School Trustees' Association and Ontario Hydro.

Provincial Police patrolled a total of 12,199 miles of Provincial Highways and other roads. This was while working a total of 1,080 duty hours.

Two thefts and forty miscellaneous occurrences were reported and investigated.

There were twenty-three motor vehicle collisions, one of which involved fatal injuries to one person, and five others which resulted in injuries to six persons.

Fifty-four charges were preferred under various Federal and Provincial Statutes.

Sixty-one warnings were issued for minor infractions under the Highway Traffic Act.

Officers spent a total of 42½ hours engaged in Court activities.

Education Week Open House

Parents and other interested persons in town will have an opportunity to become better informed on current educational programmes during the upcoming Education Week, March 1st-7th.

Students and staff at the Deseronto Public School extend to you an invitation to spend the afternoon of Tuesday, March 3rd, (1:30 - 3:30 p.m.) at the school seeing new programmes and becoming acquainted with educational ideas being utilized and contemplated.

In all phases of educational activity much has been accomplished; in all much remains to be done. The Purpose of Education Week is to focus attention upon the achievements and problems of education. We have come a long way. Canadians, young and old have a far greater opportunity to become well-educated, happy and useful citizens than ever before. But..... we have a long way to go yet.

One thing is certain. The progress that has been made in educational standards reflects the increasing active interest and support of Canadians from all walks of life. Equally certain is the fact that the shortcomings that persist in our educational system will be overcome only through the continuance and extension of that interest and support.

If your schedule permits, plan to attend the March 3rd open house..... education is a matter which is vital to your family, your community and your country.

Roads Will Not Be Restricted

Clarke T. Rollins, M.P.P. for Hastings has been advised by the Honourable George E. Gomme, Minister of Highways, that the following roads will not be restricted to Half-loads this coming Spring:-

Highway 62 from Madoc through Bancroft to Barry's Bay.

Highway 60 from the junction of Highway 127 near Whitney to Huntsville and from the junction of Highway 62 at Barry's Bay to

Highway 17 west of Renfrew.

Highway 127 from the junction of 62 at Maynooth to the junction of Highway 60 near Whitney.

Highway 28 from Bancroft to the junction of Highway 121.

Highway 121 from the junction of Highway 28 to Tory Hill.

The non-enforcement of half-load regulations on the above highways will allow truckers to haul normal loads throughout the spring period from Bancroft south to Madoc east to Highway 17 and west to Huntsville.

The following roads will continue to have half-loading restrictions:-

Highway 28 from the junction of Highway 121 southerly to Lakefield.

Interest Rates Starting to Ease

Interest rates in Canada are easing downward from the record-high ranges achieved in 1969. Some statistical straws in the wind suggest the cost of borrowing money will decline farther.

While the cost of borrowing for home purchase remains stubbornly above the 10 per cent rate reached late last year -- about 10½ for government insured mortgages, 10½ for conventional loans -- key rates in the money markets are dropping.

JUNIOR HOCKEY ALL-STAR WALK-ATHON

The Deseronto Minor Hockey League players are planning a walkathon to Marysville and back, to purchase hockey jackets and crests for themselves.

Two changes have been made since the plan was originated. The Walkathon was to include only the junior All-Stars but now all the junior and senior players are included and are looking for sponsors. Each player needs a total of twenty dollars, or two dollars per mile.

The second change is the date. Due to the fact that the Nananee Minor Hockey Playoffs are being held for the next two Saturdays, February 28 and March 7, from 6:30 a.m. to 5:00 p.m., the

walkathon date has been changed from February 28 at 2:00 p.m. to March 14 at 1:00 p.m.

A father and son Hockey Banquet is being planned for April 5th at 1:30 p.m. It is hoped that all the fathers will be able to attend.

Members of Council Comprise Cross-Section of Bancroft

Members of The Northern Council of Loyalist College which received official approval from the College Board of Governors at its February meeting comprise a cross-section of the Bancroft area community.

M. J. McAlpine, P. Eng., and Ontario Land Surveyor is Chairman of The Council.

Original members of the Council include Rev. H. J. Maloney, of the Loyalist Board of Governors; J. Hattin, a member of Bancroft Council; G. Stevenson, Principal of Bancroft Public School and a member of Bancroft Arts Council; F. J. Fallis, Area #1 Trustee, Hastings County Board of Education; W. R. Coffey, Counsellor, Family and Children's Services, Hastings County; F. Beckley, Principal, North Hastings High School; G. Sebban, Vice-Principal, North Hastings High School, and, P. Johns, who operates a large tourist resort business in the Bancroft area.

In the first instance, assistance in organizing The Council was provided by Father Maloney; Board Vice-Chairman John Donelan and College Extension Director, H. J. Butterill.

Mr. Butterill, a native of Havelock is a professional engineer who has had extensive industrial experience including service with firms in North Hastings, is also a former secondary school department head.

The programme as it develops in consultation with the Northern Council will be under the direction of Mr. Butterill's Division with field work being carried out on a continuing basis by a resident supervisor to be appointed by the Northern Council Area.

Lots To Be Sold By Auction

Clarke T. Rollins, M.P.P. for

Hastings reports that he has been assured by the Honourable Rene Brunelle that lakeshore lots in Hastings County in the Tweed District will be sold by auction and not by lottery which maybe experimented with only in the Lindsay district.

Carnival Money Put to Good Use

Ten pupils from Deseronto Public School are not richer in a monetary way but have demonstrated that common sense is still prevalent among our young people. After groups of them placed first, second and third in the ice sculpture contest held during Winter Carnival week they were faced with the problem of dividing the \$20.00 prize money. Rather than applying simple rules of division, the students decided to allot \$5.00 to the Heart Fund, a cause for which some of them were campaigning, \$5.00 to the Foster Parents Plan to support their adopted Vietnamese child and the remainder to buy ice time for use of all school pupils.

HASTI - NEWS SERVICE PROGRAM

Early in 1969 the Hasti-News-Service Program was initiated with a trial membership of approximately 25 persons. This program consists of specific information mailed to the participants on a monthly basis. The membership fee of \$3.00 provides a three ring binder, dividers with filing information, and a monthly mailing of 4-6 sheets containing specific information of current interest. In addition, members can request information on any topic of interest. The main purpose of this program is to provide specific information, and have a system where this information can be filed, and then found easily at a later date when required. This Hasti-News-Service is not to be confused with the Hasti-Agri-Gram which is a monthly newsletter mailed to as large as possible portion of interested people in Hastings County. The Hasti-Agri-Gram is the official County newsletter and is much more general in nature.

Insurance Coverage Important for Farmers

Farming, like any other business, is filled with risks. Many of the hazards faced by the farmer are beyond his control, created by his dependence upon the climate and biological processes. In addition, a farmer faces all the financial and economic problems confronting the industrial businessman.

Insurance should play a big part in a farmer's business arrangements, but often many aspects of it are overlooked. These are the observations of Mr. Douglas Baker, Farm Management and Agricultural Economics Division, Ridgeway College of Agricultural Technology, who is primarily concerned with property and liability insurance coverage.

Mr. Baker says that farmers should consider several basic questions when insuring their property. Are buildings that are fully used being insured to the amount it would cost to replace them? Many farmers have houses or large buildings insured for perhaps \$5,000. Yet the cost of replacing that building, would be far more than the insured value. On the other hand, many farmers insure buildings they no longer use; this is wasted money.

Insuring a building is not enough. All the articles of value it contains should be insured as well. All articles valued at \$250. or more should be itemized. This means electrical household appliances, furs, jewels, rugs, drapes, cameras, sports and hobby items. It means farm machinery (insured to its replacement value), equipment, tools, supplies, feeds, pesticides, and all livestock. They should not simply be covered for loss inside the building, but for outside hazards as well.

The question of what to insure against must also be answered, says Mr. Baker. Fire, storms, floods and all manner of natural causes can now be allowed, but, as with property insurance, a farmer must consider his priorities. It probably is not economically sound to insure against floods if there has been no flood for sixty years. The cost of one year's losses through a freak flood

will probably be less than flood premiums paid to no benefit over 20 years. Wind damage, on the other hand, might be an annual hazard. Insurance should be placed where it is most necessary.

Liability insurance is also a must for every farmer, says Mr. Baker. Liability insurance protects farmers from miscellaneous hazards for which they might otherwise be held liable. Suits and losses are often due to machinery and wagon collisions with cars and trucks on the road. Livestock may be involved in a collision with motor vehicles, or may break fences, damaging someone else's land.

Personal liability policies protect the farmer, his family, and his employees. They can insure against a variety of risks, such as a dog biting a neighbour, or injury or death in an accident with farm machinery, the family snowmobile or saddle horse.

Mr. Baker recommends that every farmer carry a minimum of \$100,000 in liability insurance.

For full details about insurance coverage, farmers should contact their local insurance agents, or obtain insurance booklets either from the Canada Department of Agriculture or the Ontario Department of Agriculture and Food.

United Church Stewards Meet

The Stewards met in Stover Hall at 8:00 p.m., February 18, with six members present and Chairman, Merton Cummings presiding. Secretary, Lena Cummings read the minutes. Business arising from the minutes was the fixing of our stained glass windows in the church. Some are broken and others need to be straightened and fixed. It was moved by Walter Roblin that the windows be fixed and seconded by Bryle Hamilton. All were in favour.

Mrs. D. Cole moved that we have an auction sale in May sometime, so save all your old things while you do your Spring cleaning. This was seconded by Mrs. Sexsmith. Other business was discussed but nothing definite was decided on.

Bryle Hamilton then moved that the meeting be adjourned.

LONSDALE W.I.

The February meeting of the Lonsdale Women's Institute was held at the home of Mrs. Harold Crowe on Tuesday, February 17th with fifteen members and two visitors present.

The meeting opened in the usual manner by singing the "Opening Ode" and reciting the Mary Stewart Collect. Roll call was answered by "A keepsake" and how it came into my possession, with very interesting items being shown and told about.

Minutes of the previous meeting were read and approved followed by the general correspondence being dealt with.

Mrs. Mary Walsh displayed a coffee urn which was obtained for the use of the Institute by the purchasing of Rawleigh products by the members. A vote of thanks was extended to Mrs. Walsh by Mrs. Rosalyn McGuinness on behalf of all members for her work and time in the handling of these orders.

Mrs. Margaret Gartland gave a report of a District Director's Meeting held at the home of Mrs. J. Lucas. Mrs. Audrey McCrea, convener for Historical Research

then asked Mrs. Monica McGuinness to read a paper explaining the origin of the Women's Institute Colors, Motto, Opening Ode, Grace, books and magazines and the Mary Stewart Collect. Mrs. McCrea then read a paper explaining fully the meaning of each sentence of the Mary Stewart Collect. Both papers were very much enjoyed by all members.

Lunch was then served by the hostess, Mrs. Crowe and an enjoyable social hour brought the evening to a close.

Read Euchre Party

The weekly Euchre was held in St. Mary's School, Wednesday, February 15th. Prizes were awarded to the following:-

Ladies 1st, Mary Phillips, 2nd, Ann Marie Durkin, Consolation, Mrs. Gerald Johnston of Stoco.

Men's 1st, Ted Bradden, 2nd, Leonard Walsh, Consolation, Mr. O. Trudeau of Stoco.

Traveling Lone Hand, Mrs. Bartels and Door Prize, Harold Powers.

Lunch was served by the 7th Concession. The next Euchre will be held on March 1st.

Hospitality Drink Fruit-Based Punch

Any time can be party time. At your next 'gathering of the clan', home economists at MacDonald Institute, University of Guelph, suggest serving an attractive and refreshing punch to bring out that hospitality.

Follow these tips for perfect punch.

1. Mix all ingredients, except carbonated beverages, and refrigerate for 24 hours to allow flavours to mellow. Don't depend on ice to chill the punch, as it takes too long.

2. If you use ice, make it with fruit juice or ginger ale so that it will not dilute the punch as it melts.

3. For a less sweet flavor, use dry ginger ale or sparkling water.

4. For an inexpensive base, use cold tea. It blends well with fruit juices and adds color.

5. For a clearer punch, strain fruit juices.

6. Add garnish just before serving.

Garnishes --
Fill ice cube tray two-thirds full with juice or ginger ale. Freeze, then place maraschino cherries, pineapple cubes, lime or lemon wedges or mint sprigs on the ice. Pour in more liquid

to cover and finish freezing. Toothpick or skewer small whole berries or cherries onto a fairly thick slice of lemon, orange or lime and float in bowl

Deseronto C.W.L.

The February meeting for the Deseronto C.W.L. was at the home of Mrs. M. E. Dowling.

In the absence of the President, Mrs. Sherman, Mrs. M. E. Dowling, 1st Vice-President presided over the meeting. Father Albers opened the meeting with the League Prayer.

Correspondence included thank-you notes from parishoners remembered at Christmas.

A resolution against the legislation of the sale of marijuana will be sent to the Diocesan Council before February 28th.

A donation will be sent to the Organization for Development of Peace.

Following the adjournment of the meeting Father Albers showed an interesting film on Uganda.

Lunch was served by Mrs. Dowling and Mrs. T. Murphy.

A Trip to the Napanee Beaver

By a Pupil of Deseronto Public School

On Wednesday, February 18, Rooms 5 and 14 visited the Napanee Beaver office in Napanee. Accompanying Miss Jamieson's class, which is Room 14, were four mothers, Mrs. Hird, Mrs. Dickinson, Mrs. Kortan and Mrs. Woodcock. We left at 1:00 p.m. Mr. Earl Morrison, the editor, was our guide. We saw a machine which turned the pictures taken by a camera, into plastic plates which were taken to the printing press. We also saw a linotype which worked like a typewriter except the letters came out backwards on a piece of lead. The printing press used a big roll of paper which the words stamped onto. Every Wednesday, between five and six thousand papers are published. The press also folded the papers so that they could be stamped with the subscribers name and address. Mr. Morrison gave us a piece of lead from the linotype which had the words "The Napanee Beaver" stamped on it. We enjoyed the trip very much and perhaps you might like to visit the "Napanee Beaver".

Notes of Inspiration

REV. OSCAR SIMPSON

WHAT MOVES YOU MORE?

Acts 20:24 "But none of these things move me"

A stirring gospel message, or a scratch on your car? The love of Jesus or a rock-n-roll song? Your need for a new car or furniture, or the need of Jesus to be preached in a new mission endeavor? The fact that your creditors will have to wait until next month, or the fact that the church budget is seldom met? The cost of living, or the high cost of living without Jesus? The fact that your relatives haven't visited with you for weeks, or the fact that some of your brethren never worship with the family of God on the Lord's Day?

Local & Personals

Electives Begin At Public School

Electives have begun at Deseronto Public School. Every Thursday between 3 and 4 p.m. pupils from grade five to eight have a chance to participate in one of their favourite hobbies or interests.

Mr. R. Uens and Mr. R. Lawlor are in charge of those interested in pellet gun target practice. Mr. W. Dever and Mr. B. Smith looked after the large group of students interested in gymnastics. Mrs. A. Howitt took charge of a group interested in outdoor activities, skiing and tobogganning. A folk song and record club met in Mrs. A. Jordan's room. Miss Lois Jamieson and her group concentrated on creative drama. Another large group interested in games and knitting were assisted by Mrs. L. Tucker and Mrs. D. Sargent.

Everyone agreed that the first attempt was a success and weekly electives will be held during the rest of the term.

OBITUARY

MARY EILEEN BARNWELL

Following a short illness, Mrs. Mary Eileen Barnwell, 317 Main Street, Deseronto, passed away in Kingston General Hospital on Wednesday, February 18th, 1970.

Mrs. Barnwell was born in Londonderry, Ireland on October 25th, 1915, a daughter of the late James McGee and the late Elizabeth Wallace. She was educated in England, and came to Canada in 1929 settling in Alberta. She had resided in Kingston since 1940, coming to Deseronto

with her husband and family a little over two years ago. Her husband owns and operates Barnwell's Grocery and Meat Market on Main Street where her home baking was always a popular item.

She is survived by her husband William and five children, William, Deseronto, Anna, Mrs. Roy Hyland of Richmond, Ontario, Irene, Mrs. Frank Boland, Kingston, Carol, a student nurse at Belleville General Hospital, and Eileen, of Kingston; also surviving are three grandchildren, Angela, Craig and Kathleen.

Surviving brothers and sisters are Roy of Yellowknife, Vernon Edmonton, and Ellen, Mrs. Farrell Conland, Edmonton. Two brothers, James and Thomas are deceased.
